## About Clemson Community Care

Clemson Community Care was established in 1988 by ministers of various churches in Clemson, Central and Pendleton to serve as an intermediary between members of the faith community and people in need, hoping to break the cycle of poverty by extending a neighborly hand in love.

Services of CCC include:

- Food Pantry Assistance
- Heating/Cooling/Power/Water Assistance
- Food Stamp Assistance
- Emergency Rental Assistance
- Homeless Emergency Support
- Home Repair
- Job Service Assistance
- Parenting Workshops
- Holiday Assistance

## From the Director

The 2010 year at Clemson Community Care was again a challenging and exciting one. We again saw an increase in the numbers of people needing our services, but we again saw a year where the community supported in such a way that we were able to help the people who asked us for assistance.

We were able to sustain all of our basic need programs, our supplemental Manna program, our back-to-school and holiday assistance and we were able to take over the Brown Bag program which was cut by a partnering agency. We began a partnership with the United Way of Pickens County and Americorps to provide income tax preparation at our site and continued to provide space to the Sullivan Center, Upstate Homeless Coalition and the Clemson Free Clinic. The Free Clinic now has their own home which has given CCC more space for client interviews. All this was possible through your support.

As we move into 2011, our staff, volunteers and Board remain dedicated to the work we do each day and appreciate your support of that work. Together we are making a difference in the lives of people in our community. Please continue to partner with us as we work together to help our neighbors help themselves.
