

2023 Impact Report

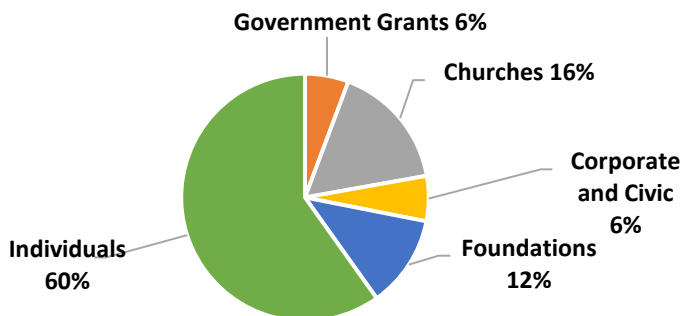

Serving Central, Clemson, and Pendleton

Clemson Community Care is pleased to present to you, our stakeholders, the Impact Report for the 2023 year. In it, you will be able to see where the support given by you to CCC was used to assist residents in our service area to stabilize their situations. In this report, you will also be able to see that 2023 continued the trend of challenging times for neighbors which stretched resources for our organization. Due to your continuing support, we have been able to meet the times and remain stable. Each day, we work with gratitude for your partnership with us. By continuing to work together, we can strive to make sure all residents of our community have what they need to sustain a stable home for themselves and their families.

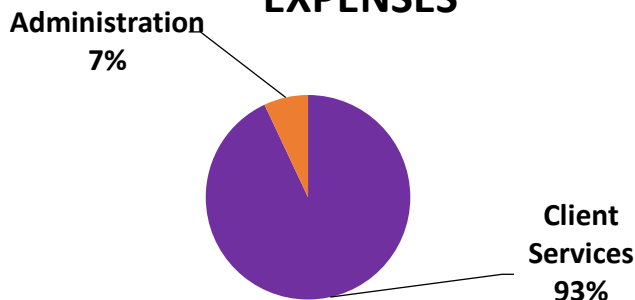

With our thanks,

Karen Baker Carter
Executive Director
